ANGELIC AWAKENING

Arteshar Mai Rah

INTERNATIONAL TRAINER

COMING TO AUSTRALIA

MAY 2012

Angelic Awakening

The series of process you will learn on an Angelic Awakening are designed to awaken long submerged memories of where you come from, and what your purpose in coming to Earth is.

It is time now to remember and to claim the beauty and truth of who we are.

What will emerge within you when you respond to the call is a profound and life changing experience.

We are the guardians of this Earth and so it is imperative that we all re-awaken so that we begin to live again in the fullness and integrity of our Angelic nature.

As each of us does this, a state of love and care, can be rekindled in the world.

If you feel compelled to attend this workshop, then trust that your Angelic Self has heard the call.

**Now is the time to awaken....
Now is the time to spread your wings
Now is the time to open your heart and to live your divine mission on this earth.**

This Authentic Angelic Awakening Is Presented By Arteshar Mai Rah Awakened to the angelic realms more than 20 years ago and realizing the importance of this to the consciousness of humanity, Arteshar has continued to present the Angelic Workshop to people in countries all over the world. Arteshar believes that it is vital that we are all encouraged to connect to our higher self and to actively manifest this essence while we are still living on earth. During the seminar she leads the participants to a place that is beyond the normal everyday world perception, to an experience of deep connection and an absolute inner knowing that will reveal the truth of who you are.

About the Trainer

Arteshar is a trainer who is in demand all over the world. This is probably due to her vast knowledge, which spans many fields of endeavor and her compassionate and insightful nature, which seems to see right into the heart of the soul. Her skill as a presenter is grounded in the material world and yet highly spiritual at the same time.

Born with the abilities of clairvoyance, clairaudience and clairsentience she believes that this is just one area of many under utilized and natural functions of the human brain. In this respect she is passionate about helping others to re-connect and open up to more of their own potential. Her Trainings bring a depth of understanding which is way beyond the superficial level of communication. With patience and care she is able to impart skills, which invite others into a sense of being able to change their lives and to manifest more than they ever dreamed was possible.
